

Sponsorship Opportunities

Loving Library is celebrating **over 12,000 books donated** and our continued commitment to improving the mental health and well-being of communities in need with books. We would be honored to have your support for our 2nd annual fundraising event called "Light Up The Library" on September 23, 2023.

Loving Library is committed to helping underserved communities one book at a time and to inspiring kids to give back to their communities.
