Presents

# PACES FOR PAGES

## SPONSORSHIP OPPORTUNITIES

Loving Library is proud to celebrate its five-year anniversary with a special edition of our annual event, **Paces for Pages**. This milestone year highlights our expanding impact and the growing communities we serve—making it the perfect moment for partners to join us in fueling literacy and connection.

Having donated more than 16,000 books and deepened our impact on the mental health and well-being of children in need, Loving Library is poised for its next chapter. We invite you to stand with us as a sponsor of **Paces for Pages on Sunday, March 1**.

Loving Library is committed to helping underserved communities one book at a time and to inspiring kids to give back to their communities.
